

Full Day Summer Camp 2010

Dear Parents,

Thank you for choosing Charlotte Sports Center for your child's summer camp experience! We are certain that your camper will have a TERRIFIC time with us this summer and learn a great deal. Just like last summer, we are pleased to offer an optional lunch & drink program for each day of camp. Please see the Lunch Order Form in the Summer Camp section of our website for menu items and/or to place your order.

As always, the entire Charlotte Sports Center staff is committed to making your child's summer camp experience a memorable one! All of our staff members are knowledgeable and experienced in a variety of sports. The counselors' top priority is to teach campers the fundamentals of their chosen sports in a fun, non-threatening environment.

Full day campers will be divided into groups based on major and minor sports, and then further divided in that sport based on age and skill levels. For all campers, many styles of teaching will be used to ensure they make the most of their camp experience. Games and drills will be used in conjunction with live ball scenarios to teach each child the fundamentals of their sports. Encourage your child to drink plenty of water. They will be moving!

In addition to major and minor groupings, all campers will also have many opportunities to interact with other children from the camp during age appropriate group activities. The time periods before and after lunch and at the end of the day are set aside so that all campers are brought together to recap the day's events and participate in special group activities.

We encourage you to drop in and see the activities your child will be participating in or even join your child for lunch. Parents are always welcome to stop in and see what all the fun is about!
